Marcel Davis

Pos.: Guard
Height: 6-3
Year: Senior

Personal question

If you could go back in time – what advice would you give yourself at age 14?

Keep your body clean ☺

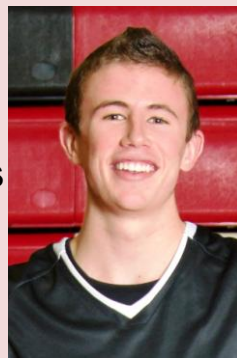

Coach Meacham’s comments:

“Marcel is one of the few 4-year returning players we’ve ever had. He has made steady progress every year and adds little things to his game. This year, he has put on more size and strength. Marcel will be playing at Utah State next year and they will be getting not only a great player but a great leader and teammate.”

Austin Waddoups

Pos.: Guard
Height: 6-1
Year: Senior

Personal question

If you had to be trapped in a TV show for one month, which one would you choose and why?

The Bachelor

Coach Meacham’s comments:

“Austin is an exciting player and a fantastic young man to coach. Austin is a “gym rat” and has an amazing competitive drive. This combination will make him a great player on the next level. Austin will play the 1 and the 2 guard for us and he’ll do whatever we need him to do to make us better. He is very quick and can create his own shot at any time.”

Taylor Larson

Pos.: Forward
Height: 6-4
Year: Soph.

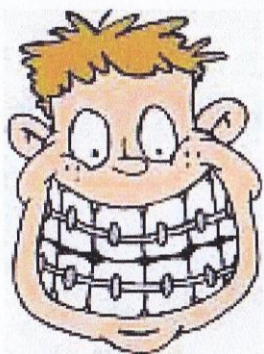

Personal question

If you could go back in time – what advice would you give yourself at age 14?

Work harder than you have ever worked in your life!

Coach Meacham’s comments:

“Taylor is a fun player to coach because he never quits on plays. He runs the floor and will be that player who gets the extra things done while playing. He’ll dive on the loose balls, get the tough rebound and flat-out compete. Taylor loves to work and this, mixed with his talent and ability, will take him far in the game of basketball and life.”
