

Kearns vs. Union

Continued from Page 1

The Kearns players should be in a good mood after defeating Orem 55-46 Tuesday night. In that game, **Andrew Lokeni** scored 13 points and **Dalton Noble** and **Marino Moore** added 12 as the Cougars rallied in the second half for their second straight win.

Orem led 26-20 at halftime, but the Cougars came back to take a two-point lead going into the final quarter and managed to extend the margin from there.

In Union's last game, it fell behind Evanston early and fell, 53-41. **Brandon Lamb** and **Braxton Nielson** were the top scorers with eight points.

For the season, Nielson is, by far, Union's leading scorer at 15.7 points per game. Noble tops Kearns at 13.7 ppg, while Lokeni is at 10.1.

So, what should we expect today? Let's hope Union's bus ride through the snow wasn't too bad or that could have an effect. Kearns has the home-court advantage and seems to be on roll with three promising scorers. Union may be a 3A team, but this is their only matchup with a 5A school and it has likely been marked. Look for the visiting team to try to put up a good fight.
