MATCHUP

Kearns vs. Union

By Bruce Smith
MatchupUT.com

It may be vacation time for Kearns High School students, but the Cougars' boys basketball team doesn't get a break.

Less than 24 hours after going on the road and beating Orem, the Cougars are back in action today to take on Union in a non-region game.

Coach **Nate Crandall's** team improved to 5-2 last night with its 55-46 victory. Today, they take on Union (also nicknamed the Cougars), who have a 5-5 record and haven't played since losing at Evanston, Wyo., on Dec. 22.

Despite being about 200 miles apart (Union is in Roosevelt), these teams have had a five-year relationship. Kearns has won four times, and Union once, but each game has been close. Exactly one year ago today, Kearns went to Union and used a big third quarter to earn a 68-46 victory.

This year, of course, the teams are notably different. Both teams have new coaches and, thus, new styles. Union's coach is **Jeff Hanke**, who replaced Mike Ross after the team finished 7-14 last season.
