

Feb. 12 – Olympus 39, Tooele 38 (OT)

Story of the game: Sam Williams had a season-high 15 points as Olympus survived a stern Region 6 test from Tooele in overtime.

Oly's highlights: The Titans led most of the game, and held a 31-24 margin going into the final quarter. Oly played great defense and Force overtime. The Titans shot 7-23 from three-point land and only 35 percent overall, but survived.

Tooele's highlights: This could have been the biggest upset of the season. The Buffaloes shot almost 50 percent from the field and missed a three-pointer with three seconds left that could have won the game. Wade Memmott led with 11 points, including three treys.

Statistical notes: Joe Bourne played for the first time in four games. Only 11 free throws were attempted on this night, due to the slow pace. Oly's 39 points was its season low. Tooele prepared well for this game and showed a big improvement from earlier this season.

What we learned from this game: Oly survived a scare and went to overtime for the first time this season. The Titans finish the regular season with three difficult opponents.
