

## West Jordan vs. Murray

*Continued from Page 1*

own, led by sophomore **Jordan Loveridge**, who scored 16 points in the Jaguars' win over Cottonwood Dec. 18, and that outing made him the team's scoring leader at 10.8 points per game.

**Jordan Pryor** and **Jesse Herrin** also had impressive outings in that game and average 8.0 and 7.9 ppg. They also proved to be good shooters from beyond the three-point line.

Last year, these teams played at about this time of year over at Murray. In that game, Jordan Weirick scored 21 points, but the Jaguars had to rally in the third quarter to claim the 71-60 win.

West Jordan, of course, went on to finish with a 21-4 record and a state championship trophy. Murray was 12-10, made the 4A playoffs, but lost to Provo in the first round.

*So, what should we expect tonight?*

Both of these teams are significantly different from last year, and don't be surprised if they appear rusty after the UHSAA-mandated Christmas break.

This is both teams' chance to get back to work. The Jags probably should be favored, but Murray has a lot of character and probably wants to make up for its loss at Highland.
